ONE HUNDRED REASONS WHY YOU SHOULD CARRY A BANK ACCOUNT

(CONTINUED)

A man with a bank account and a check book in his pocket has all the money he needs right with him, and the correct change, too.

The mere fact of a person's having a bank account, although small, creates within him a spirit of independence and moral strength obtainable in no other way.

Systematic and persistent depositing in a bank is the best means yet devised for the accumulation of money, and the interests, whether large or small, of men, women and children are alike carefully attended to by the bank.

The Publisher's Claims Sustained

UNITED STATES COURT OF CLAIMS The Publishers of Webster's International Dictionary allege that it is, in fact, the popular, unassailable, thoroughly re-edited in every part, and vastly enriched in every part, with the purpose of adapting it to meet the larger and severer requirements of another generation.

We are of the opinion that this allegation most clearly and accurately describes the work that has been accomplished and the result that has been reached. The Dictionary, as it now stands, has been thoroughly re-edited in every detail, has been corrected in every part, and is admirably adapted to meet the larger and severer requirements of a generation which demands more of popular education than any generation that the world has ever known.

It is perhaps needless to add that we refer to the dictionary in our judicial work as of the highest authority in a survey of definitions; and that in the future as in the past it will be the source of constant reference.

LAWRENCE WELDON, Secretary.
JOHN DAY, Treasurer.
FRANCIS J. DILLIE, Editor.

THE STANDARD REMEDY FOR ALL FORMS OF RHEUMATISM

LUMBAGO, SCIATICA, NEURALGIA, KIDNEY TROUBLES, CATARRH, ASTHMA and KINDRED DISEASES

GIVES QUICK RELIEF

Applied externally it affords almost instant relief from pain, while permanent results are being effected by taking it internally, purifying the blood, dissolving the poisonous substance and removing it from the system.

DR. C. L. GATES

Dr. C. L. Gates writes: "A little girl here had such a weak back caused by Rheumatism and Kidney Trouble that she could not stand on her feet. The moment they put her down on the floor she would scream with pain. I treated her with '5-DROPS' and today she runs around as well and as happy as can be. I prescribe '5-DROPS' for my patients and use it in my practice."

TEST "5-DROPS" FREE

If you are suffering with Rheumatism, Lumbago, Sciatica, Neuralgia, Kidney Trouble or any kindred disease, write to us for a trial bottle of "5-DROPS."
